

AREZZA DINING TABLE - 90.5"

108808

This Scandinavian-inspired dining table offers a bright and airy look. The on-trend design features a sculptural, curved base in a light wash oak wood finish with visible graining. Pairs well with the Arezza sideboard. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
