

## GIULIETTA DINING TABLE - ROUND - WEATHERED OAK - 55"

107273

Form and function come together in this beautiful round dining table that features angular table legs for an unconventional, yet stylish look. Crafted with a brown oak veneer and solid oak wood legs. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
