

MELANIE ACCENT TABLE

COLORS: White

OVERVIEW

A modest piece of living room décor, the Melanie accent table keeps its class through tonal shades. Beautiful white marble slabs are held together by a two-tiered iron base with a matte-black finish. The end result of the Melanie accent table is a subtle contemporary piece that can be used for adding plant décor on one layer, and resting your coffee on the other.

- Solid iron base with a marble tabletop
- The use of natural materials means embracing imperfections (such as unusual marble veining, rock striations, textured grooves, and uneven texture)
- Some Assembly Required
