

Fawcett Counter Stool – Dark Base – Pepper

Product Code : FAW-006

Introducing our Fawcett Counter Stool, a stylish blend of contemporary and mid-century modern design, perfect for enhancing dining rooms and kitchens. Elevated by sleek dark wooden legs, this counter stool features a generously cushioned seat and back, ensuring optimal comfort. Upholstered in a trendy pepper woven fabric that is both durable and fashionable, Fawcett effortlessly complements any decor. Whether you're aiming to create cozy dining areas or in need of an additional chair for bedrooms, offices, or entryways, Fawcett is the ideal choice.
