

## Ambrose Modular Wall Desk

108795

Crafted in Indonesia, this beautiful wall desk will bring modern style and elegance to living, lounge and home office spaces. Designed with naturally rustic finished oak wood and a matte black iron frame. Features two cabinets and two drawers for added style and function. Coordinate with the Ambrose modular wall desk, and large and small bookcases for a space saving design. Media console and cabinet also available. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
