

## Cagliari Armchair

107908

Create an incredibly comfortable outdoor retreat with this modern armchair from the Outdoor by SUNPAN collection. This design features a sleek frame in solid teak wood and dark grey powder coated aluminum. A deep seat in gracebay grey fabric completes the look. Teak wood will develop a silver-grey finish over time. Teak wood has a high oil content that enables its outdoor resistant properties. These natural oils may surface and potentially leave teak marks on fabrics upon contact, which can be easily washed away. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece.
