

Delaney Dining Chair Beige Set Of Two

The Delaney dining chair's hourglass silhouette is full of Art Deco allure. This eye-catching accent elevates the dining experience while blending seamlessly into any interior. Dressed in easy-to-clean vegan leather upholstery with an ultra-soft foam seat, this piece adds a touch of glamour without compromising comfort.

- Hourglass Meets Barrel: An hourglass shape narrows at the waist before opening into a high barrel back, giving the dining chair an Art Deco line.
- Easy-Clean Vegan Leather: Beige vegan leather upholstery wipes clean after a meal and holds its soft, smooth hand-feel and color through everyday use.
- Structure You Sit On: A sturdy steel frame carries the weight underneath the upholstery, holding the barrel shape steady every time you pull in to the table.
- Full Back, Soft Seat: High-quality foam fills the full backrest and barrel seat of both chairs, adding the support that keeps you seated long after dessert.
