# 101535

This retro inspired office chair infused with mid-century style. The adjustable seat with a curved veneer wood back complements the onyx faux leather. Features a stainless steel base and castors for mobility. Handle With Care: This design has been crafted with faux leather. Faux leather is manufactured to reflect the natural characteristics of leather; as such, colour variations, markings, wrinkles, grooves, and light scratches are appreciated characteristics. No two pieces will be alike. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece.
