Langston Brown Faux-Leather Seat Black Iron Frame Dining Chair
SKU: 67617

SUPERIOR FINISH

In addition to a brown faux-leather square-stitched wrap, the Langston armchair also flaunts a superior, matte-black polish that adds a touch of 'contemporary' to these chairs.

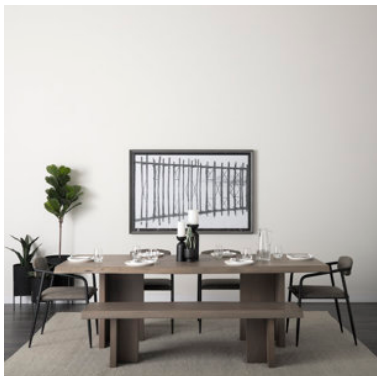

STURDY IRON FRAME

Expertly crafted from solid wood and iron components, the Langston is a dining chair made to stand the test of time. The chair's upholstered seat and backrest are braced by a four-legged, spindle-shaped iron frame that ensures exceptional stability and sturdiness.

The Langston is a set of two modern style dining chairs with faux-leather seating mounted on a metal frame.

MODERN INSPIRED DESIGN

Prudently designed to suit spaces based on the mid-century modern and industrial design styles, the Langston dining chair flaunts a sleek, open back design that is complemented by the juxtaposition of faux-leather upholstery and metal components.
