Landon 25.6L x 29.1W x 30.5H Light Brown Wood W/ Cream Fabric Seat and Cane Back Accent Chair
SKU: 69354

SOLID WOOD, FABRIC AND CANE

This Mid-Century armchair features a fusion of textures balanced by clean lines and a simple design. A cane back sits within a solid Beech wood frame that runs into low tapered legs and accommodates a padded fabric seat. Added comfort is provided by overstuffed, loose cushions for the seat and back.

LIGHT BROWN AND CREAM FINISH

A whitewash finish extends over the wooden frame and cane back, bringing out the natural wood grain and adding a sense of depth and texture to the piece, with the slightest hint of rustic charm. The cream Bouclé fabric blends with the natural tones, adding visual interest and a soft feel.

ENHANCED COMFORT AND AMBIANCE

Use as a standalone piece to create a comfy nook, or as a power pair for additional seating, it's the perfect way to bring texture and interest to a room, and to level up the cozy factor!

COASTAL INSPIRED DESIGN

Its organic nature and Mid-Century simplicity work well to lighten, brighten and soften interiors - a perfect fit for coastal inspired homes and interiors with an elegant aesthetic!
