Features

Crafted from reclaimed oak wood, materials consist of variations like distressing, knots, hairline cracks and oil stains. These features may result in color variations, rubbed edges, and other antique-like characteristics.

Oil based finish is applied by hand in a multi-step process for a semi-gloss look.

Medium brown finish accenting the natural grain from the reclaimed oak with bronze hardware for a seamless design. Expertly crafted tongue and groove joinery allowing for slight movement and to prevent cracking; extending the life of this piece.

Made with FSC®-certified wood. Your support in purchasing this product promotes responsible sourcing and our efforts to ensure thriving forests.

Featuring soft-close cabinet doors and tempered glass front for visibility into the shelved cabinet.

Store and organize books, dishware and other household items with 16" deep shelves. Wire management holes included.
