

Adelina Daybed

111280

Bring space-saving comfort to any living space with the chic Adelina Daybed. Features a slim frame with curved legs built from solid rustic oak wood. Expansive seating is upholstered in heather ivory tweed fabric with leather strap detailing on either side. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece. Handle with Care: This design has been crafted with 100% leather. Leather is a natural material; as such, colour variations, markings, wrinkles, grooves and light scratches are acceptable and appreciated characteristics. No two pieces are alike. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece.
