

Bari Lounge Chair - Natural

109461

This timeless lounge chair from our Outdoor by SUNPAN collection will transport you to a relaxing outdoor retreat. Crafted with a natural teak wood frame, greymix weave seatback and stinson white fabric seat, this piece creates a stylish and modern look. Teak wood will develop a silver-grey finish over time. Teak wood has a high oil content that enables its outdoor resistant properties. These natural oils may surface and potentially leave teak marks on fabrics upon contact, which can be easily washed away. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece.
