

Bondi Counter Stool - Light Oak

110982

This modern take on a classic counter stool design offers timeless style for any space. Features a white wash oak frame with a natural rope seat. Due to the natural contents of natural paper rope, it is advised to minimize contact with strongly dyed fabrics to avoid discolouration and/or colour transfer. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
