

Capri Dining Armchair - Drift Brown

110943

Blur the lines of inside and out with this beautiful outdoor dining chair. This comfortable design features a barrel back frame wrapped in greymix weave and seat cushions in palazzo cream fabric. A drift brown teak wood base completes the look. Teak wood is naturally water, decay, and pest resistant. Teak wood has a high oil content that enables its outdoor resistant properties. These natural oils may surface and potentially leave teak marks on fabrics upon contact, which can be easily washed away. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece.
