

## Cove Sideboard

109610

Taking cues from Scandinavian design, this mid-century modern sideboard is revitalized with beautiful wood patterning. Crafted from a brown solid oak wood frame in a rustic finish, and completed with four cabinets for ample storage space. Anti-tipping kit included. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
