

## Cyan Ottoman - Natural

109904

Contemporary and stylish, the Cyan Ottoman is a versatile piece that will add comfort to any space. Generously upholstered in merino pearl performance fabric with natural ash wood legs. Performance fabric is moisture repellant, stain resistant and easy to clean. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
