

Danette Bed

110925

Clean lines lend the Danette Bed its minimalist silhouette. Features a canopy frame crafted from solid grey oak wood with warm steel brass accents. Upholstered in zenith taupe grey fabric with horizontal tufting on the headboard. Coordinating dresser and nightstand also available. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
