

Earl Lounge Chair - Rustic Oak

110602

Modern with a refined edge, this lounge chair will bring comfort to any space without compromising style. Stocked in ludlow sesame leather with a solid rustic oak wood frame. Completed with accenting brass steel armrests. Also available in brentwood charcoal leather with an ash grey oak wood frame. Dining armchair version also available. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece. Handle with Care: This design has been crafted with 100% genuine leather. Leather is a natural material; as such, colour variations, markings, wrinkles, grooves and light scratches are acceptable and appreciated characteristics. No two pieces are alike. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece.
