

## Elisa Dining Chair - Light Oak

108824

With a timeless design, this dining chair boasts a stunning mid-century appeal. Stocked in our beautiful mainz cream fabric and completed with solid poplar wood legs in a light oak finish. Also available in naya check black and dazzle cream fabrics in a grey oak finish. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
