

## Greyson Bed

102411

This bed will bring character and warmth to any bedroom space. Made of smoked acacia wood with a stylish handcrafted chevron pattern on the headboard. Brass nickel metal feet complete the look. No box spring is required and folding slats are included. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
