

Jeremy Counter Stool - Weathered Oak

111008

An alluring mid-century counter stool that embraces the beauty of simplicity. Features a comfortable, quilted cushion in dove cream fabric. Completed with a brown, weathered solid oak wood frame and a powder-coated metal footrest in an antique brass finish. Dining armchair version also available. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
