

Rebel Sideboard - Large

106831

A modern sideboard designed to add a beautiful touch to the living, lounge, office and dining spaces. Crafted from charcoal grey oak veneer with four cabinets and shelves for added storage. Brushed gold iron hardware completes the look. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
