

## Tuner Coffee Table - Triangular

106296

A unique coffee table crafted with mixed materials and organic shapes. Features a hand-etched antique brass iron top and legs with a white marble shelf. Made in India: With refined craftsmanship, this design was brought to life by skilled local artisans. By nature, these materials develop unique imperfections such as fissures, markings and colour variations for a truly one-of-a-kind piece. As marble is a natural material, unique veining, pitting, fissures, micro-cracks and colour variations are all characteristics that add to the uniqueness and beauty of each piece.
