

Wisconsin Stool

102836

This handsome stool combines Old English flair with mid-century style. Features a double-stitched diamond pattern on the seat with an antique brass steel x-base. Stocked in our vintage-look havana dark brown and tobacco tan faux leather. Handle With Care: This design has been crafted with faux leather. Faux leather is manufactured to reflect the natural characteristics of leather; as such, colour variations, markings, wrinkles, grooves, and light scratches are appreciated characteristics. No two pieces will be alike. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece.

Remarks

None.
